IATA Travel Pass

IATA Travel Pass is a mobile app that helps travellers to store and manage their verified certifications for COVID-19 tests or vaccines. Only some airlines are using the IATA Travel Pass app.

If your airline requests that you use the app then you can follow the steps below to import your Notarised HealthCert:

1. Download IATA Travel Pass app from the Apple Store or Google Play Store.
2. Create your digital identity - follow the prompts to register your face and passport.
3. Add your test result - Select "Certificates" on the home page, select "Add" in the top right-hand corner, select "COVID-19 Test Result", scroll down to "Singapore" and scan the Notarised HealthCert QR code above.

EU Digital COVID Certificate

This EU Digital COVID Certificate is a digital proof that you have received a test result from an authorized national health authority.

You may present this QR code digitally or in a printed format for the relevant authorities to scan and verify the content.
